Subject: Playoff Schedule

All games at CVMS. Per the seating chart I sent out late last week, here's your schedule:

Saturday:
1:30 Storm v. Dream
2:30 Shock v. Fever
3:30 Stars v. Winner of 1:30 game
4:30 Suns v. Winner of 2:30 game

Sunday
2:30: Winner of Saturday's 3:30 game v. Winner of 4:30 game

I am quite certain that the sixth grade girls had the best coaches in the leagues. Thanks again to Karl, John and Steve, who wanted to be assistant coaches and stepped up to be head coaches. Steve deserves special kudos as he hung in there even after his daughter broke her elbow pre-season. You have all been great to work with!

See you on Saturday,

Robin

Subject: Stats and Standings

Coaches,

Stats are attached. Please remember that the game schedule changes this week.

First game is at 1:05; second game at 1:55; third game at 2:45. Another league is having a shooting competition on the other side of the gym where you usually warm up, so the first game will warm up on the main court starting at 12:45 and then play around 1:05 or so. It is my understanding that the shooting competition will be over at 1:30, so the second game may be able to warm up on the other side if it doesn't run late. If it is running late, please don't interrupt the shooting competition. I will give you a few extra minutes to warm up on the main court after the first game.

Playoffs start February 27th at CVMS. We will play at 1:30, 2:30, 3:30 and 4:30. The championship game will be on Sunday, February 28th at 2:30 at CVMS. I will send you the playoff schedule on Sunday, February 21st.

Standings:

Stars: 4-0
Shock: 3-1
Fever: 0-4
Suns: 3-1
Storm: 1-3
Dream: 1-3

Thanks,

Robin
