

T&C Sports Basketball is a Spurs Drug Free League

The Spurs, through the Drug Free League, provide team shirts and coaches shirts for the Town & Country Sports Basketball program. The Spurs also fund the background check and coaches education, which is contracted through KSN. The JrNBA and JrWNBA provide materials for coaches and players, such as calendar, poster, players guide, and coaches guide.

Who We Are:

The Kids Sports Network (KSN) is a nonprofit association dedicated to the enhancement of non-school youth sports by educating volunteer coaches, parents and administrators; by publicizing the benefits of sports participation to the public; by acting as a clearinghouse for youth sports information and by conducting a variety of events and programs.

SAN ANTONIO, TX 78239-2449

(210) 654-4707

KSN Certified Coach Benefits:

.\$1 Million General Liability & J25,000 Accident/Injury Insurance Policy

As a KSN certified coach you are insured for \$1 million liability and \$25,000 injury protection. The liability insurance is primary coverage and includes protection against accusations of child abuse and molestation. The injury coverage is secondary to any policy you have. The protection is for you personally and when you are coaching the specific sport for which you received training. Complete benefits, exclusions and limitations of these policies are specified in the policies themselves. No coverage is extended and no representations are made except by the policy.

Exclusive Access to a Password Protected Website

Your certification gives you access to the basketball password protected portion of our site that contains additional drills, practice and game plans, a stats tracker and other tools, that will help you in the upcoming season. You will receive your login information and instructions at your coach's clinic.

Quarterly Time Out Newsletter

You will receive our quarterly Time Out newsletter that brings you up to date on the programs and services of KSN, coaching tips/drills, safety issues, and guidance on how to improve the sports experience of your team.

Don't Forget to Visit our Website- www.ksnusa.org

Visit our comprehensive website for a variety of youth sports information and resources including links to over 400 individually-selected sites designed to help make you a better coach, information on other events and programs as well as details about our coaches' education, parent orientation and abuse prevention programs.

What Happens Next?

Upon completion of the course, you will be registered as a KSN Certified Coach in our national database and will receive the benefits described above for one year from the date of your training. During the year you are eligible to receive a certification in one or more additional sports by attending the sports specific portion of a KSN clinic and paying a nominal fee of \$5. Your certification will not be extended, but your database file will be annotated to show the additional training and the insurance will be extended to cover the additional sport.
